DOCKETED BY

IN THE MATTER OF THE APPLICATION OF)
SABROSA WATER COMPANY TO ESTABLISH)
PERMANENT RATES IN A GENERAL RATE)
CASE.)

DOCKET NO. W-02111A-06-0361

MOTION FOR SUSPENSION OF CASE

AND EXTENSION OF TIME TO FILE EXECPTIONS

Sabrosa Water Company ("Sabrosa"), through its interim manager Global Water Resources, LLC ("Global"), requests an extension of time to file exceptions in this case, and also requests that this case be pulled from the February open meeting calendar, and further requests that further proceeding in this case be suspended. This request is made because the current rate proceeding may become moot, and thus it is not prudent to expend further effort on disputes in this case.

Global currently serves as the interim operator of Sabrosa. Global is also the ultimate parent company of Cave Creek Water Company ("CCWC"). However, the Town of Cave Creek ("Town") is currently seeking to condemn CCWC. Global provides interim manager services to Sabrosa primarily using CCWC-related personnel and facilities. Accordingly, it will not be practical for Global to provide interim manager services once the condemnation is complete. With the assistance of a court-appointed mediator, the Town and Global have entered into discussions regarding settlement of the condemnation suit. The settlement discussions appear to be fruitful, although a final settlement agreement has not been signed.

As part of the settlement, Global has insisted that the Town, or its designee, assume the interim manager duties for Sabrosa. Thus, Sabrosa may become non-jurisdictional. And even if Sabrosa remains jurisdictional, the cost information in this docket would be out-of-date and inapplicable to the new interim manager. For these reasons, it is not prudent to proceed with this case at this time. Accordingly, Sabrosa requests that the Commission: (1) indefinitely extend the due date for exceptions; (2) pull this case from the Commission's February open meeting; (3) suspend further activity in this case until further Commission order; (4) direct Global to make a filing in this case once the settlement of the CCWC condemnation case is complete, including recommendations as whether or how this case should proceed.

RESPECTFULLY SUBMITTED this 7th day of February 2007.
